Cheryl L. Gregory, PE, joins ROWE Professional Services Company

FLINT, Mich., May 23, 2019 – Cheryl L. Gregory, PE, has joined the ROWE Professional Services Company team as a senior project manager in the Design Services Division of the company's Flint, Mich. corporate office.

Gregory has more than 30 years of experience in the transportation industry, including 14 years with the Michigan Department of Transportation (MDOT) in leadership positions. These positions included the transportation service center manager in Taylor and Port Huron in the Metro Region, as well as other positions in the MDOT University and Southwest regions and Lansing Central Office. She also has 17 years of experience serving clients as a private consulting engineer. Her engineering background encompasses freeway and local roadway design, work zone and permanent traffic control plans, safety studies, non-motorized paths, geotechnical engineering, storm water management, and green infrastructure. She earned a B.S. in construction engineering from Lawrence Technological University and is a professional engineer in Michigan, Illinois, and Texas.

ROWE's headquarters is in Flint, Mich.; additional offices are located in Lapeer, Mount Pleasant, Farmington Hills, and Grayling, Mich., and Myrtle Beach, SC.

ROWE is a full-service professional firm specializing in civil engineering, surveying, aerial photography/mapping, landscape architecture, and planning.
