**Michigan Association of Planning Honors ROWE Staffer**

**Flint, Michigan, October 4, 2019** – The Michigan Association of Planning (MAP) awarded ROWE Professional Services Company's Caitlyn Habben one of two 2019 Helen Foss Award for Outstanding Volunteer awards at MAP's Planning Michigan Conference on September 25, 2019. MAP honored Habben with the award due to her work in re-energizing the Emerging Planning Professionals Committee and serving as its chairperson for two years. The committee is devoted to working students, entry- to-mid-level planners, those in non-traditional fields without long-term experience, or people embarking on encore careers. Habben has been a planner with ROWE since May 2016 and a member of MAP since 2013.
