ROWE Announces Project Manager Promotions

Flint, Mich., May 11, 2017 – ROWE Professional Services Company announces the promotions of Louis P. Fleury, PE, and Michael A. Royalty, PE, from project managers to senior project managers. Four staff were promoted from senior project engineers to project managers: Kent A. Edwards, PE, Amanda N. Hemeyer, PE, Dean A. Oparka, PE, and Matthew J. Seitz, PE, PTOE.

Fleury, a Flint Township resident, earned a B.S. in civil engineering from Michigan Technological University. He joined ROWE in 1999 with 4.5 years' experience and was named an associate (company shareholder) in 2015. Fleury manages road and utility design and construction projects for municipal clients.

Royalty, a Linden resident, earned a B.S. in civil engineering from Michigan Technological University. He joined ROWE in 2005 and was named an associate in 2016. Royalty oversees the design, construction, and analysis of various road and infrastructure projects.

Edwards, a Durand resident, earned a B.S. in civil engineering from Michigan Technological University. He has 16 years' experience and has been a ROWE employee for 10 years. Edwards manages construction engineering contracts.

Hemeyer, an Argentine Township resident, earned a B.S. in civil engineering from Michigan Technological University and an M.B.A. from the University of Michigan. She joined ROWE in 2005 as an intern and was hired full-time in 2007. Hemeyer oversees the design and analysis of various road, bridge, and infrastructure projects.

Oparka, a Frankenmuth resident, earned a B.S. in civil engineering from Michigan Technological University. He has 27 years' experience and has been a ROWE employee for 14 years. Oparka manages design engineering projects for clients statewide.

Seitz, a Midland resident, earned a B.S.E. in civil engineering from the University of Michigan and an M.S. in civil engineering from Michigan State University. He joined ROWE in 2006 and was named an associate in 2015. Seitz oversees traffic engineering projects and the design and analysis of various road and infrastructure projects.

ROWE's headquarters is in Flint, Mich.; additional offices are located in Lapeer, Mt. Pleasant, Farmington Hills, Lansing, Grayling, and the tri-cities area in Mich., and Myrtle Beach, SC.

ROWE is a full-service professional firm specializing in civil engineering, surveying, aerial photography/mapping, landscape architecture, and planning.
